Tentative Agenda

Welcome: Tom Lange / Kevin Capwell

Whole Group: Each institution will discuss 2-3 large initiatives that others maybe interested in

Pizza Lunch Provided

Small Group: Move to breakout sessions based on whole group discussion and early feedback
A facilitator will lead each group

Closing remarks and future plans

Tours (optional): **CVTC Culinary Management Program (New facility immersed in technology)
**CVTC IT Networking and IT Software Developer Program facilities

Hope to see everyone there! Thank you for being a leader in Educational Technology.

Make sure to share this with others in your IT department and IT departments of surrounding schools in your area.
