

# BrainStorm WI Dells 2026 Sponsorship Opportunities

March 8-10, 2026 at the Kalahari Resort and Convention Center, Wisconsin Dells, WI

BrainStorm is a conference for K20 technology directors, network administrators, and other IT personnel. This is NOT a conference about curriculum but instead for the bits'n'bytes warriors that support and drive technology in schools. **A typical attendee has a high degree of decision-making authority for their school district, college or university.** 2025 conference attendance was over 900 attendees from the Midwest with most from Wisconsin, Minnesota, Illinois, Indiana, Iowa and Michigan. We are proud of our conference and invite you to join us as a sponsor. For more information, please visit [www.brainstormk20.com](http://www.brainstormk20.com).
