

2020 BrainStorm – Sandusky | May 3rd - May 5th

Monday, March 16, 2020

It is with great sadness that we announce the cancellation of BrainStorm Sandusky 2020, scheduled for May 3-5, 2020.

We have been closely monitoring the situation, and with the CDC's recommendation to cancel or postpone events that consist of 50 people or more for the next 8 weeks, we have made the decision to cancel BrainStorm Sandusky to ensure that our attendees, vendors, staff and the Kalahari staff are not put at risk. The Kalahari continues to take additional measures to protect all of their guests, you can find that information at <https://www.kalahariresorts.com/covid-19-update/>.

We will be reaching out to those that are registered very soon with options for rolling over the paid fees to next year's event, one of our other events (Pocono, PA in October), or a full refund. We will also provide direction for those with hotel reservations as to how to best work with the Kalahari to postpone or cancel your stay. It may take us a couple days to gather this information, so please be patient.

We want to thank everyone for their support of BrainStorm Sandusky this year and the past 3 years since we have started the event. We were looking forward to seeing everyone again in a few weeks. Instead we will look forward to seeing everyone for BrainStorm Sandusky 2021!!

Thank you for your continued support,
BrainStorm Steering Committee
